### About Seniorenhaus St. Mauritius and Seniorenhaus Witten-Stockum (“Nordkirchen Group”)

- Seniorenhaus Witten-Stockum and Seniorenhaus St. Mauritius are high-quality stationary care homes in North-Rhine Westphalia with a total capacity of 171 stationary care beds (100 % single bedroom quota) as well as 15 solely short-term care beds.

### About VidaCura

- VidaCura is a leading nationwide group of independent and entrepreneurially managed operators of stationary care homes and senior residencies in Germany that offer their employees, residents and relatives the best quality of service. VidaCura continuously expands its group of companies by acquiring or investing in high-quality operators in Germany.

*“My family and myself are happy that we have found a great home for our employees and residents in Witten-Stockum and St. Mauritius. VidaCura proved to be the perfect partner to continue the operations on the same level of quality and enthusiasm as we did in the past.”*

**– Hans-Jürgen Bungert, former operator of Nordkirchen Group**

*“We are delighted to be undertaking this acquisition as great add-on for our expansion strategy. The Nordkirchen Group fits perfectly into our portfolio of high-quality stationary care homes. We welcome the whole team of Nordkirchen Group now being part of our VidaCura family.”*

**– Andreas-Hartwig Kütt, founder and CEO VidaCura**
